

**Job Title:** Bin Technician – Trade Waste

**Salary:** £8.72 per hour

**Contract Type:** Full-time

**Start Date:** As soon as possible

**Hours:** 8:00am to 5:00pm | Monday to Friday | 40 hours per week | 1 hour for lunch

**Location:** Effingham Mills, Ginhouse Lane, Rotherham, South Yorkshire, S61 4QN

### **Company overview**

With a wealth of experience in waste management spanning over 30 years KCM Waste Management have the expertise you need when it comes to efficient, affordable and conscientious waste disposal solutions.

Based in South Yorkshire, serving communities in Rotherham, Sheffield, Doncaster, Barnsley and surrounding areas KCM Waste Management is favoured by both commercial and domestic customers alike.

Our solutions are tailored to suit your waste disposal needs, no matter what the size. Our comprehensive waste management services include skip hire, wheelie bin hire, tipper hire, trade waste disposal, tipping and recycling, confidential and secure document shredding, legal disposal of Waste Electrical and Electronic Equipment recycling (WEEE), scrap metal purchase, recycled aggregates, primary aggregates, top soils, sands and gravels.

### **Position overview**

As a result of continued growth, KCM Waste Management seek to appoint a Bin Technician to work within our busy Trade Waste department.

This position will see you take full responsibility for the maintenance, repair and delivery of waste containers across the region. With over 3000+ waste containers in circulation, you will be required to provide stock updates to management, work with associated 3<sup>rd</sup> party suppliers and maintain and upkeep a clean and safe working environment at our Rotherham head office.

Maintenance and repairs of waste containers would include container bodies, container lids, wheels, fixings and accessories. Signage and instructions would need adding to all waste containers prior to deliver. Deliveries will be made in a Luton van or similar sized vehicle.

In addition, you will be required to perform ‘Man in a Van’ services to commercial and domestic customers across the region. This work mainly includes waste removal site clearances of all shapes and sizes. Collected waste will need returning to our recycling facility at our Rotherham head office.

Excellent organisational skills and a good work ethic are essential to this role, along with the ability to work ‘hands-on’ and communicate to a range of commercial and domestic customers.

### **Duties include**

- Maintenance and repair of waste containers – 240 litre, 360 litre, 660 litre, 1100 litre, 6-yard front end loader (FEL) and 8-yard front end loader (FEL).
- Repairs include (but are not limited to) container bodies, container lids, wheels, fixings and accessories.
- Work with associated 3<sup>rd</sup> party suppliers to control stock/inventory.
- Provide stock/inventory reports to the Trade Waste office.
- Delivery and exchange of waste containers across the region.
- Up-keep and maintenance of the Trade Waste facility inline with health and safety requirements.
- Efficiently and professionally communicate with colleagues, management, customers and suppliers.
- Driving and general maintenance of company vehicles including Luton van.
- Perform ‘Man in a Van’ services to commercial and domestic customers.

### **Experience and key skills required**

- Previous experience maintaining and repairing stock and inventory.
- Experience of managing and ordering stock and inventory.
- Previous dealings with customers and suppliers managing relationships in an efficient and professional manner.
- Valid UK driving license free from any disqualifications.
- Over 25 years old due to vehicle insurance perimeters.

### **Company benefits**

- 28 days annual leave.
- Free on-site car parking.
- Company pension.
- Staff training and education opportunities.
- Fully expensed company socials.
