

## Terms & Conditions for Skip hire

- The Company will provide a skip(s) to the customer on hire for the period specified on the booking form.
- The skip(s) are the property of the Company.
- If the Company delivers and/or collects the skips(s) the customer will indemnify the Company in respect of any actions costs claims and demands arising from damage to any property at which the customer is working or at which the skip is left as a result of the delivery or collection of the skip(s).
- The customer will indemnify the Company against all actions costs claims and demands brought by third parties in respect of the usage of a skip(s) by the customer in all respects.
- The customer will use his best endeavours to leave the skip in a safe and secure position at night away from the highway but if the skip is left by the customer in or adjoining a highway or private road it will be the responsibility of the customer to ensure that it is properly lighted at all times at night in accordance with traffic regulations.
- The customer will notify the Company forthwith of any accident involving or damage to the skip(s).
- The customer will use the skip(s) only at the location agreed in the terms of hire and shall not move the skip(s) to any other location or place whatsoever without the prior consent of the Company in writing.
- The customer will not over-load the skip(s) and the Company shall have an absolute right to remove material from the skip or take such steps as may be necessary to make the skip(s) safe before movement.
- No relaxation, forbearance or indulgence by the Company in enforcing any of these terms and conditions shall prejudice or affect the rights and powers of the Company hereunder nor shall any waiver of any breach of terms and conditions operate as a waiver of any subsequent or continuing breach.
- The rubbish contained in these skips will become the property of the Company.
- MATTRESSES, FRIDGES, FREEZERS and TYRES can be placed in the skip, providing the Company has been notified in advance and any extra charges incurred have been paid for in advance.
- No ASBESTOS, OIL or ANY TOXIC WASTE should be placed in the skip. Any of these materials found in the skip will, subject to notification, be returned to (or collected by) the customer or they will be disposed of in accordance with the Waste Regulations. The customer shall reimburse all costs incurred in the disposal to the Company. We do accept all the above materials at our site via other services, please call us on 01709 361 144 to arrange disposal.
- The Company reserves the right to charge for any repairs or replacements which may be required should the skip be damaged or stolen whilst on hire to the customer.
- No fires are allowed in skips.
- A wasted journey charge may apply if a wasted journey occurs.
- K.C.M. accept no responsibility for damage - however caused.
